Myanmar

Over the years I have taught many students and leaders from Burma but never visited the country. This past month I had the privilege to teach

Conflict Resolution for *DAI* in their MA Leadership course in Yangon. Those in this class are all full-time workers, working in a country that is over 80% Buddhist. I will continue to interact with these students in their studies through February 2019. Because of your financial and prayer support, we are able to serve the Church in equipping them to reach others with Gospel of Christ. **THANK YOU!**

In visiting a Buddhist Pagoda, I recorded those in the area praying. In my classes I teach that 50 to 80 percent of who we are is dictated by our culture. Many in Myanmar serve a cultural god. This would be true of many Muslims and Christians.

Just a brief history of the Shwedagon Pagoda in Yangon. You can learn more about this oldest Buddhist shrine by clicking [HERE](#). Quite an interesting story.

Do You Know What a NRM is and the work do?

Not a short-term missionary who merely travels the world, but one who comes alongside others to help facilitate their vision and ministry. Watch this video to learn more about NRM's.
