

In the Twos & Threes room, our goal is to make kids feel loved and safe and to plant little seeds of truth about God in their minds. Each week your child listens to a song, performs a poem with actions, and listens as a teacher tells a story about God through pictures on a board using the Big Story Curriculum. The song, poem, and story stay the same for the entire month so they can learn through repeated exposure.

The weekly parent email gives information about the monthly lesson. You can retell the same story they heard (the Scripture is provided for you to read and paraphrase) and perform the action poem with them.

#### Resources:

Here are a few of our recommended resources for your little ones. While they might not fully comprehend what you are reading or singing, this is a wonderful place to start the rhythm in your family as primary disciple-makers. Plus, you will be hearing the truth of the gospel as you read and sing!
