

In the Fours & Fives room, our goal is to teach our four and five-year-olds about Jesus, and to amaze them with the truth of the Gospel. We seek to build community among the children and to teach them what it looks like to love God and others, while equipping families to train up their kids at home. Each week, our children sing songs, listen as a teacher tells a story/lesson about God in the Old Testament using the Gospel Story Curriculum, create a craft and/or coloring sheet, and enjoy a snack with their friends.

The weekly parent email gives information about our weekly lesson and great questions to dig deeper at home with your kids. You can retell the same story they heard (the Scripture is provided for you to read) and even use [this companion resource](#) for a 10-minute daily devotion. While we really value our time with the kids on Sunday, our primary goal is to equip you as parents – the primary disciple-makers - to share Jesus with your kids during your days. You're not in this alone – we're here to help and to explore how to do this together.
