

In the Infants & Walkers room, we have the pleasure of serving the littlest of The Oaks! We are so blessed by seeing these babies grow from infants that we get to snuggle, to little ones zooming around as fast as their feet will take them. Through all the transitions in this room, it is our desire to share the Gospel with them on their level by praying for them, reading stories from Hug-a-Bible, playing with them, and showing them that they are loved!

We know that this may be the first time you're allowing someone to care for your child other than family. We feel honored and take this calling very seriously. Thank you for letting us serve you by trusting us with your little gifts from God!

Resources:

Here are a few of our recommended resources for your little ones. While they might not fully comprehend what you are reading or singing, this is a wonderful place to start the rhythm in your family as primary disciple-makers. Plus, you will be hearing the truth of the gospel as you read and sing!
