

Our vision for Kindergarten-2nd Grade room is that the Oaks Kids would enjoy a structured environment where they can hear & explore God's Word and build community through learning about God together. We realize this vision through worshipping together, reading God's Word, creating art which reflects God's beauty, praying together, enjoying a snack, and memorizing scripture.

The Kindergarten-2nd Grade room uses The Gospel Story Bible and listens to “Clap Your Hands, Stomp Your Feet” by Sojourn Music. These are great resources to use at home, as well as The Oaks Kids take home sheet/email, which explains the main truth of our lesson each week and provides parents with discussion questions to go along with the story. Check out [this companion resource](#) for a 10-minute daily devotion.

Resources:

Here are a few of our recommended resources for your kids. While they might not fully comprehend what you are reading or singing, this is a wonderful place to start the rhythm in your family as primary disciple-makers. Plus, you will be hearing the truth of the gospel as you read and sing!
