

This Spring is an exciting time for Myosotis School. The children are in the home stretch of the school year. Advertising is underway to recruit additional students for the Fall semester. The school is open to doubling the number of students from almost 50 to 100 students. Many things need to happen to support this expansion. We are shipping a container to Haiti in late June, so it arrives before the Fall semester starts.

Successes to Date:

- Deerfield Public Schools has agreed to donate 50 chairs, 6 to 10 tables, and 20-30 seats with tablet desks.
- Additional furniture is being donated from TVPC as they rearrange classroom furniture for Northbrook Community Preschool who is coming this Fall.
- Over \$1,200 funds were received to support school scholarships in April at TVPC.

Needs for the School or Church in Haiti:

- Used Children's Outdoor Toys (Little Tykes, Swingset, Basketball Net/Balls, etc.)
- Sewing Supplies and Fabric
- Exterior Paint (new or used)
- Used Children's Books (French or English)
- School Lunch Supplies (bowls, silverware)
- Clothing
