## 3D MEETING GUIDE

### BIBLE (30 MIN)

As a group, decide which book of the Bible you want to study together. Answer three main questions below as you read the passage during the week. When you meet, discuss the text and share your insight together. Use the GROW tool to guide your study.

1. **Get in it:** Pray, Reflect, Observe → Ask: What does it say?
2. **Resources:** Pray, Interpret, Answer → Ask: What does it mean?
3. **Outline It:** Pray, Summarize, Synthesize → Ask: What is the main idea/truth?

### LIFE (30 MIN)

Continue to discuss how the passage you read changes your life. Use this question to help guide you in this:

1. **What Difference Does It Make?** Pray, Apply, Transform → How do I respond?

Here are some ways to help facilitate your discussion more deeply:

1. How can the group help you apply what you are learning?
2. What do you want to celebrate and/or confess from this past week?
3. See supplementary questions on the back of this sheet.

### PRAYER (15 MIN)

Spend time praying for each other. Stop to pray as things come up through your time together. Pray through any areas God has spoken to you through the given passage. Allow this to shape your prayers for yourself as well as one another:

1. Thank God for areas of sin he is graciously exposing, or areas to rejoice. Pray through any areas where you want obey.
2. Talk about your prayer for the lost. How do you plan to weave this person(s) into your life? Pray for people by name. Ask God to save them.
