"Do you want to know what God's will for your life is?
Discerning His will is not a game of hide and seek. It is not some kind of cosmic Easter egg hunt where God camouflages His will and we have to try and find where it is hidden. God never hides His will. So why do we struggle with knowing what God's will is?"

These words are from the introduction to Living God's Will.
The cost of the book is \$14. You are welcome to attend whether or not you have purchased the book. Please contact the church office if you would like a book or if you need more information.
