## **Report from Session of Regular Meeting June 21, 2018**

### **Special Congregational Meeting of June 24, 2018**

Pastor Dan's family will be joining him in Grove City the week of June 25<sup>th</sup>.

Work Session will be combined with the regular session meeting on July 19 and will start at 6:30 p.m.

Hospitality on Sunday Mornings-Session is hoping to reinstate again. Need for chairperson to coordinate and volunteers to help. See Lisa Flick, she will be very happy to hear from you.

Core Teams are being put in place and leaders trained.

### **Proposed amendments to the bylaws of Tower Church by Session-**

Article IV Section 1, Article IV Section 7, Article V Section 3, Article V Section 4(a), Article V Section 4(b), Article V Section 4(d), Article V Section 4(f), Article V Section 4(h), Article V Section 4(l), Article V Section 5(b), and Article VI Section 1(a) all seconded and approved for adoption effective June 24, 2018.

## **Notes to Our Members**

**\* In order for the Church Office to serve you better, we would like to have the name, address and phone number of your emergency contact. There have been a few incidents lately when we needed to get in touch with family of a member, and we discovered we didn't have anything on file. If you wish to share this information with the office, there will be information cards in the pews for you to complete and place in the collection basket. Thank you.**

**\* Dear Tower Members,  
Security is always a concern of the Trustees. To that end we have installed security cameras on the portico doors. We will now keep all the entrance doors locked during normal business hours with the exception of the portico doors. The other entrance doors will be unlocked during scheduled services and special events.**

## **For the Month of July**

**The Deacon's will be collecting Dish Soap for the food pantry.**

## **Trustee Notes**

From the Trustees: Spring has been busy and we have lots of plans for the summer. First off, the ladies restroom is complete, along with the family bathroom, both off Williamson Hall. Secondly, security cameras have been installed in the portico entrance and, as has been announced, that will be the only entrance open except for special occasions. There have been many small updates throughout the Church especially the Library and the old Blue Room which isn't blue any more. The next big projects are to move the sound equipment to the main level of the sanctuary and add a cry room. Bid material has gone out and we are hoping to have it done before we move back to the sanctuary in the fall. We will try to keep you updated on the progress. The men's restroom off the Chapel will be starting to get a face lift in the next week or so. When closed, men will have to use the men's room off the kitchen until the work is complete. With all the wet weather we have found some leaks in the bell tower and a couple other places in the Church so work will start on those projects soon. In a church our size there are always a never ending list of things to do, so if you have a little skill and some extra time, let a Trustee know and they will find a project for you. Thanks to Rachael, Rhett, and Greg for all the work they have done in my absence. The Church is looking great.

George Elliott

Chairman, Board of Trustees
