Dear After School Parents:

Many of you already know me from having your child in our Preschool. Those of you that do not know me, then I will introduce myself to you.

I am Laura Harris and I have worked in Preschool and Afterschool care and summer camps for the past 34 years. It is my desire to make this school year successful and in order to accomplish this goal I need to hear your input. Please, always feel free to talk to any of our Administrative Staff at any time with any questions or concerns you may have. Thank you, and I hope to get to know you all on an individual basis very soon.

The **Faith Path Kid's After School Program** is the result of a God-directed vision of Triad Baptist Church and is a ministry of the church. Our desire is to be a partner with our parents in the teaching and training of our children.

The Faith Path After School Program provides a fun, nurturing, God seeking environment. Snacks are provided upon arrival with a time for devotions, homework craft, and games. Full care is provided during school breaks and early releases at no additional charge. We are committed to building self-esteem in your precious child and teaching them about the love of Jesus. We are committed to Christian values in a loving atmosphere where we educate and equip young children to grow and develop in all areas of their lives. We believe each child is unique and created in God's image!

Please fill out and return to the Preschool/After School Office any forms that you may have in your After School Packet. All forms should be turned in by the end of this week. We want to be sure that we have updated information in case of an emergency.

If you ever have any questions or concerns, my door is always open. Feel free to contact me anytime in person or by email or phone. 336-996-7573 ext. 122 or my email at laura.harris@tbcnow.org

Thank you parents!
I'm looking forward to get to knowing each of you this fall.

Laura Harris
After School Director
