

Dear Parents,

Thank you for choosing Triad Baptist Christian Academy (TBCA) for your child(ren)'s education. The quality of TBCA programs are of the utmost importance: and we are always seeking ways to make improvements to benefit everyone. TBCA partners with FACTS Management Company to help us manage our tuition payments. All tuition is automatically drafted from your financial institution of choice. The security and convenience of payment processing and information offered by FACTS is a great asset to the school. You will realize these benefits by using FACTS for your tuition payment plan:

1. Payment Options: Automatic payments can be made from a checking or savings account, or from a variety of credit cards. All fees and miscellaneous charges can either be automatically drafted or invoiced for payment through email.
2. Convenience & Security: Your payments are processed securely through a bank to bank transaction.
3. Peace of Mind Insurance: FACTS offers this optional benefit for only \$17 per year per family. In the event of death of the Responsible Party or spouse, the remaining tuition balance owed for the current school year is paid to the school.
4. Consumer Account: You may check your personal account or make payments online from the convenience of your home or office anytime.

The school maintains decision-making control and, as always, we will continue to work with families should special circumstances or "hardship" cases arise during the school year.

Instructions on how to set up your family's account are located on the back of this letter. This will need to be set up in order to complete your enrollment.
