### No Love like a Mother's Love

There is no love, like a mother's love, no stronger bond on earth...  
like the precious bond that comes from God, to a mother, when  
she gives birth.

A mother's love is forever strong, never changing for all time...  
and when her children need her most, a mother's love will shine.

God bless these special mothers, God bless them every one...  
for all the tears and heartache, and for the special work  
they've done.

When her days on earth are over, a mother's love lives on...  
through many generations, with God's blessings on each one.

Be thankful for our mothers, for they love with a higher love...  
from the power God has given, and the strength from up above.

**Psalm 139:13** For you created my inmost being; you knit me  
together in my mother's womb.

We will be  
**CLOSED** for  
Memorial Day on  
Monday  
May 27th.

**May 6-10 is Teacher Appreciation week for all of our Teachers!**

I am planning special things for my teachers all week long. I just wanted to let you know so you might take a moment to say thank you to your child's teacher for all she does for your child! Some parents have asked me what a teacher may like,? So, I have placed on the wall beside the parent board outside your child's classroom door, a paper with the teachers name and things she may like. Also if a teacher subs in that class I have one for them as well. Thank You!
