Building Healthy Families

Are you living with a person who is depressed? Getting help for a depressed person can be difficult. Depression, by its very nature, saps energy and crushes hope for ever feeling better. It involves negative and pessimistic thinking, so the depressed person may resist help and believe it is pointless. If your loved one won't agree to talk to pastor or an LFS counselor, start with your medical doctor. Go to the appointment with him to fully describe his symptoms. Too often depression goes untreated, which is a shame because it is highly treatable. You don't have to continue to feel this bad. Call your closest LFS counselor - we can help. LFSiowa.org

Thank You! Thank You! Thank You to all of the Thrivent members who chose Trinity as their charity to designate their Choice Dollars. We received \$6,410 for March!
