Building Healthy Families

Have you experienced the grief and loss of infertility? Or do you have parenting experience and room in your heart and home for one more child? Would you prayerfully consider adopting a child, possibly one who exists today as a waiting frozen embryo, in need of a forever family? Adoption builds a family through love that transcends genetics, biology and culture. If you or someone you know is interested in learning more about domestic, international or embryo adoption, invite them to contact Kim Laube, LFS's Director of Life Ministries at klaube@LFSiowa.org or call your closest LFS office. LFS adoption workers are available statewide to provide both pregnancy counseling and adoption services. **LFSiowa.org.**
