## Building Healthy Families

Scripture is full of references to mothers and their unique qualities. 1 Corinthians 13:4-8 isn't typically thought of as one of them but think of mothers you know who are examples of the high calling of love described here: *Love is patient and kind; love does not envy or boast; it is not arrogant or rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrongdoing but rejoices with the truth. Love bears all things, believes all things, hopes all things, endures all things. Love never ends.* Happy Mother's Day to all women who so lovingly care for others!
