Harvest Table - Extra garden produce may be placed on the harvest table near the office for a great way to share God's bounty with others!

Building Healthy Families: October is National Domestic Violence Awareness Month. Pay attention to signs of domestic violence among your friends, including bruises, isolation, and having to ask permission to do things or go places. Also know that women are at greatest risk of being killed by their violent partner when they file for divorce, obtain a protection order, or take other steps to end the relationship. Here's how to help someone you know who is in a dangerous relationship: let them know you care and are ready to listen, help them make an appointment with an LFS counselor, and give them the number of the Iowa Victim Service Call Center, available 24/7: 1-800-770-1650.
