The purpose of the Women's Ministry Reception Committee Groups is to provide refreshments to celebrate baptisms and new members. The Receptions take place during the "coffee time" between our worship service and Sunday school. When it is your group's turn to bring refreshments, please bring some sort of finger food (cookies, quick breads, bars, crackers & cheese, chips, veggies, etc). Please place your item on a table in the Social Hall.

*Captain of the Group: Captains are responsible for purchasing cold drinks for punch, deciding on the color of tablecloths and napkins to be used (buy them if necessary), providing a centerpiece, setting up tables before the worship service, finding two people to be servers for the reception, and making sure everything is cleaned up afterwards. Clean up includes putting the tables away, wrapping up leftover food and leaving it in the kitchen, washing any dishes, and, if the tablecloths are not ripped, putting them away clean and dry in the plastic boxes in the kitchen.
