Book of the Month This month's book is *The Pilgrim's Progress* By John Bunyan

For more than 300 years only the Bible has sold more copies around the world than *The Pilgrim's Progress*. John Bunyan's classic, first published in 1678, quickly became a hallmark among English readers and beyond, enduring down to our day as a unique resource for spiritual edification. Using the language of allegory steeped in Biblical references, Bunyan helps the Christian consider his or her spiritual journey.
