

Curriculum Guide - Mission: Evidence of Grace

In this handbook, T&T[®] kids will explore some of the fundamental doctrines of Christianity! In these 30 lessons, they will spend time learning about the character and nature of God, the structure and sequence of the Bible, the redemption narrative, and key discipleship practices! Each section includes an introductory activity, a Bible study, a prayer section guiding them on how to specifically pray for different countries in the world, and optional extra credit opportunities to dive deeper in their Scripture memory and study of God's Word. Kids will also be challenged to memorize the books of the Bible, and to bring a friend to their T&T club. Look forward to an amazing time diving deep into truth and training together!
