Special Town Hall Meeting 6:00 P.M.—Fellowship Hall

Have you welcomed or greeted someone today?

From Pastor John's Desk...

Welcome to West Highland where we are committed to making the Word of God fully known and the people of God fully mature.

In this day, when many church leaders seem intent on pushing an agenda that is driving churches further and further away from the truths of biblical Christianity, many church-going people find themselves increasingly disillusioned and in some cases disenfranchised from their own churches. Church members are often bewildered to see their leaders and churches pursuing paths that the Bible clearly prohibits.

Aware of these strong secular trends within the larger Christian community, West Highland and its leaders desire to be faithful to the time-tested teachings of Jesus Christ and His Apostles. Together, we're striving to become the kind of church described in the Scriptures where there's relevant Bible teaching, heartfelt worship, honest friendships, constant prayer and compassionate care for those in need. In short, we'd like to have the kind of Christianity that's true to the Church's historic creeds and influences the entire community one life at a time.

So, whether you're a concerned Christian tired of going to church to wage battle with secularism and simply looking for a trustworthy place to worship or a spiritual seeker who's just started to ask questions about God, we trust you will find a home here at West Highland.

Committed to seeking Him and making His *Word* fully known.

John Mahaffey, Lead Pastor
