

Remember When....

Please join us by sharing your favorite memories!

Our plan is to compile all the memories into a booklet available for the first time on Homecoming Sunday.

You may share any of your past memories—those of childhood or anytime in your life. You may also share stories that you heard from your parents or others of the previous generation.

The following topics and questions are meant to spur your memory. You may answer any of them, or share something entirely different. You may write your stories, or you may tell me, and I will write them, myself. We will have appointment times available, or you can just give me a call.

Thank you so much for enriching our lives!

Share one of your fondest childhood memories.

How did you spend your summers?

What did Sundays look like?

Where did you grow up, and what was life like during your elementary school years?

What made life memorable?

What made life wonderful?

What made life difficult?

How have you seen life change over the years because of inventions, changes, and conveniences?

What are two specific things that you feel have made you the person you are today?

Who contributed most to your life?

How have you seen Winterville change?

How long have you been a member of WFBC?

Who has been a friend throughout your time at WFBC?

Is there something that a former pastor preached or said to you that has influenced your life?

How do you feel WFBC has contributed to the community throughout the years?

What is your favorite story to tell others that begins with “when I was young”?

What is one thing you wish had never changed?

What was your first paying job?

Do you remember how much you were paid in your first job?

Tell me about your first car.

How old were you when you got married and how did you meet your spouse?

**You are welcome to use the space on the back of this page
or turn in separate handwritten or typed pages.**

You may also email completed memories to evelynhanes@gmail.com.

You are welcome to turn in several memories.

All entries should be turned in by Sunday, August 12th.

We are so happy you have agreed to share some of your memories with our church family! Our plan is to compile all the memories into a booklet available for the first time on Homecoming Sunday.
