**A Note from Council:**

Congregation,  
At our council meeting in November it was overlooked that the New Year’s Eve service was scheduled for Dec 30<sup>th</sup> instead of the 31<sup>st</sup>. Once this was highlighted, efforts were made to coordinate volunteer schedules to allow revising of the date but these were not successful.

We realize that the changing of the year is a treasured time for reflection and thanksgiving and will do our best in the future to ensure the scheduling of a service the final day of the year.

Recognizing that this mistake was unintentional our hope is that, as a congregation, we can overlook the timing of the service and have an extra well-attended “New Year’s Eve” celebration on Sunday evening that reflects our gratefulness for blessings of the year past and in anticipation of what good things God has in store for the year to come.

My personal apologies for this oversight,  
Ed H  
Chair of Council

### **Update from the CCRC go! Committee:**

We are delighted to let you know that construction is progressing very well on the CCRC go! renovation. The roof is now on, floors have been completed and we now have ceilings, insulation and some walls in the new addition. You'll also notice that new windows have been installed in these new areas which help it take shape and blend in with our existing structure. These are important steps to have completed so that the work inside can progress for the new classrooms and meeting rooms. Look forward to some additional pictures on the CCRC go! area of the website shortly! For ministry program planning, we previously communicated that classroom changeover would not be until sometime after January. As progress continues inside in the new year we will have a more precise date however, at this time we expect this to

happen around the last two weeks of February.

Thank you to everyone who has provided their pledge amounts on the planned timeline. As a reminder, pledges made before the Dec 31 for CCRC go! will be eligible for a 2018 tax receipt. If you have any questions, please feel free to reach out to any of the CCRC go! Steering Committee members.

**Sunday School Teachers Needed:** There is a need for **2 additional teachers for grade 3**. This group meets during the morning service. If you are able to help, please contact Sherrie M.

**The Visual Arts team** would appreciate some help with packing up the Advent decorations on Wednesday, January 2<sup>nd</sup>. If you have some time available that morning, please join them at 9:30 a.m.
