2018-19 SCHEDULE

The high school ministry of Zionsville Fellowship exists to partner with parents in helping students understand the gospel, know Christ, and make him known in every area of their lives.

Sunday Night Youth Group

Students gather in the high school room on Sunday nights from 6:00 - 7:30pm to enjoy games, worship, teaching, discussion, and food.

Sunday Morning Class

Students can come to the high school room during the Sunday morning teaching time for a Bible study in which we talk about the passage from that day's sermon.

Small Groups

Led by mature and caring adults, small groups guide students in exploring the Bible, sharing life together, and praying for one another. Small groups meet at various times and locations. Please contact Taylor Sutton to join a small group.

Serving at Wheeler Mission

The high school ministry regularly teams up with Neighborhood Fellowship and adults from our own church to serve at Wheeler Mission, which is a Christian ministry serving the homeless of Indianapolis.

Great White North

Our winter retreat at Fort Wilderness in the beautiful Northwoods of Wisconsin is always a highlight of the year.

On the Edge

This adrenaline-filled summer retreat at Alpine Ministries in West Virginia is full of fun and adventure in and around the New River Gorge.

Anchors Away

Seniors are invited to participate in this Christian worldview and apologetics course that meets for several weeks in the spring semester.
