

Form 5:
Consent form for
electronic communication with young people

Consent for Electronic Communication with young people applicable to young people aged 11 years and older

Many children and young people communicate electronically via mobile, email and internet social media sites and this can make organisation faster and more convenient. Please note that, as Facebook is not intended for use for those under 13, it will not be used to contact children under 13.

If you do not give permission, your child will not be at any disadvantage and the leaders will contact you directly to make arrangements.

I give/do not give permission for my child
 (insert name) to be contacted using mobile/email/or internet for the purpose of arranging children/youth activities.
