Dr Rowan Williams
Worshiping God, Growing the Church, Loving the World

PL5 Lecture Room, Pontio
7:00pm
Monday, 24th April 2017

Dr Williams, former Archbishop of Canterbury, is internationally recognised as an outstanding theological writer, scholar and teacher. This public lecture will address the relationship between worship and practical service to show that divisions between the two are artificial. He will examine the importance of working at our perceptions of reality and each other in order to ensure our service is effective and not self-serving.
