

Big Church Day Out

For our 10th year we are really pulling all the stops out to make this year a huge celebration of all things that are good, helped along by Matt Redman, Kari Jobe, Crowder, Travis Greene, Housefires, Martin Smith, For King and Country and many many more to add to the line up !!

We are excited to be returning to Capesthorpe Hall in Cheshire and we have been really moved by how we have been welcomed by all those of you in the Midlands and the North, really looking forward to growing this event and securing the venue for many years to come.

I am busy out and about sharing the heart and vision of BCDO and would love to connect and be connected to Church leaders, networks, people gatherers and influencers, if you can help in any way sharing the good news or helping me to connect with such folks your assistance would be very much appreciated.

It is estimated that we will have 40,000 plus gathering together in unity to worship, pray and fellowship with each other this year, with a great opportunity to share the gospel and see 1000s respond and make life changing decisions that will change individuals, families and communities.

Please see the promotional clip which gives you a flavour of what 2 days of BCDO looks like in one minute ! [Click Here](#)
