A RESOLUTION APPROXIMATE AN ASSESSMENT EQUALIZATION BOARD TO HEAR OBJECTIONS RELATIVE TO THE IMPROVEMENT OF EASEMENTS OF THE CITY OF CHERLIN AND WEST COLLEGE STREET BETWEEN CERTAIN TOWNERS BY CONSTRUCTING A STORM SEWER AND ALL NECESSARY APPURTENANCES THEREON, AND DECLARING AN EMERGENCY

Be It Resolved by the Council of the City of Oberlin, Ohio:

Section 1. That Anton Bellavek, Lee Holden and Paul Stone, three disinterested freeholders of said City be and they are hereby appointed to act as an assessment equalization board to hear and determine all timely written objections to the estimated assessments heretofore reported to this Council of the cost of improving easements of the City of Oberlin and West College Street beginning at the outfall on the project 1100 feet south of Morgan Street in lands of Charlin College, thence northerly in an existing open ditch, enclosing said ditch with a 24" pipe to Morgan Street, thence northerly adjacent to the easterly lines of Fairway Subdivision, Robin Park Subdivision and Westmoor Colony Subdivision a distance of 1,077 feet of 43" pipe to a manhole, thence westerly through lands of Robin Park Subdivision 1136 feet of 30" pipe to Pyle-South Amherst Road and beginning at the manhole above described and extending easterly and northerly to West College Street with a 35" pipe a distance of 448 feet, thence easterly on West College Street 400 feet to a point with a 30" pipe, thence northerly through lands of Julia W. Wilson, et al, G. L. Severs, Eric Nord, a distance of 915 feet with a 24" pipe to Lorain Street to the end of project, by constructing a storm sewer and all necessary appurtenances thereto and to equalize the same as to them seems proper, in accordance with law and with Resolution No. 495 adopted by this Council on September 20, 1965.

Section 2. The board shall first meet for the above purpose at the City Hall at 8:00 P.M. E.D.S.T. on the 25th day of October, 1965, and upon the completion of such equalization shall report such equalized assessments to Council.

Section 3. This resolution is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety of said City, and for the further reason that the immediate construction or said improvement is necessary to provide necessary drainage and to relieve inadequate drainage and prevent flooding conditions to protect the health and the residents within the area to be drained and benefited by said improvement; wherefore, this resolution shall be in full force and effect from and immediately after its passage.
