

ORDINANCE NO. 17 - AC CMS

DESIGNATING AN ADDITIONAL PORTION OF WORK
TO BE CONSTRUCTED FOR THE SEWERAGE OF A
PORTION OF OBERLIN SEWER DISTRICT NO. 1

WHEREAS, this Council has heretofore created Oberlin Sewer District No. 1 by its Ordinance No. 527 CMS, and has constructed or has in process of construction a portion of the general plan for said sewer district specified in its Ordinance No. 529 C.M.S.; and

WHEREAS, Council has determined it to be necessary to construct an additional portion of the plan for said sewer district to be known as the College Street interceptor;

NOW, THEREFORE, be it ordained by the Council of the City of Oberlin, Ohio:

SECTION 1. That Council hereby determines and designates the following additional work to be constructed for the sewerage of its Oberlin Sewer District No. 1, which it is determined is required for immediate use, to wit:

A 10-inch interceptor sewer to be constructed in
West College Street from _____
_____ to _____

and thence in an easement over private property
to West Lorain Street.

SECTION 2. That the City Engineer is hereby directed to file his detailed plans for said work and to prepare and file an estimate of the cost and expense of constructing the same.

SECTION 3. This ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety and for the further reason that it is necessary to provide immediately for construction of the College Street interceptor to provide proper sewerage facilities and to eliminate existing unsanitary conditions, and this ordinance therefore shall go into immediate effect upon the passage thereof.
