G. On the net profits earned during the effective period of this ordinance, of all corporations derived from work done or services performed or rendered and business or other related activities conducted in the City of Oberlin.

H. Business Allocation Percentage Formula (Section 718.02 Revised Code, State of Ohio).

(A) In the taxation of income which is subject to taxation by the provisions of this ordinance, if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the City of Oberlin shall disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business or profession conducted within the boundaries of the City of Oberlin, then only such portion shall be considered as having a taxable situs in the City of Oberlin for the purpose of income taxation. In the absence of such records, net profits from a business or profession conducted both within and without the boundaries of the City of Oberlin shall be considered as having a taxable situs in the City of Oberlin for purposes of income taxation in the same proportion as the average ratio of:

(1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business in the City of Oberlin during the taxable period to the average net book value of all of the real tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the City of Oberlin to wages, salaries, and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed;

(3) Gross receipts of the business or profession from sales made and services performed during the taxable period in the City of Oberlin to gross receipts from sales and services, wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations be substituted so as to produce such result.

(B) As used in division (A) of this sub-section, "sales made in the City of Oberlin" means:

(1) All sales of tangible personal property which are delivered within the City of Oberlin regardless of where title passes if shipped or delivered from a stock of goods within such City;

(2) All sales of tangible personal property which is delivered within the City of Oberlin regardless of where title passes even though transported from a point outside such City if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City of Oberlin and the sales result from such solicitation or promotion;

(3) All sales of tangible personal property which is shipped from a place within the City of Oberlin to purchasers outside such City regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

SECTION 3. EFFECTIVE PERIOD.
