ORDINANCE NO. 06-98 AC CMS

AN ORDINANCE TO APPROPRIATE MONIES FOR MUNICIPAL PURPOSES FOR THE FISCAL YEAR 2007 AND DECLARING AN EMERGENCY

BE IT ORDAINED by the Council of the City of Oberlin, County of Lorain, State of Ohio, five-sevenths (5/7ths) of all members elected thereto concurring:

SECTION 1. To provide for the anticipated expenses for the City of Oberlin, State of Ohio, for the Fiscal year 2007 commencing on January 1, 2007, the following appropriations, as detailed in Exhibit A, be and are hereby authorized and allowed as of that effective date.

SECTION 2. It is hereby found and determined that all formal actions of this Council concerning or relating to the adoption of this ordinance were adopted in an open meeting of this Council and that all deliberations of this Council and of any of its committees that resulted in such formal actions, were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION 3. That this ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the citizens of the City of Oberlin, Ohio, or to provide for the usual daily operation of a Municipality, to wit:

"To insure that the annual appropriation ordinance of the City of Oberlin, Ohio, is approved in accordance with the Ohio Revised Code prior to January 1, 2007, in order to provide for the daily operation of the municipality", and shall be effective immediately upon passage.

Re: Amendment to 2007 Budget Request (Ordinance No. 06-98)

I am recommending an amendment to my capital proposal to Council for the Fiscal Year 2007 budget. With respect to my request for \$90,000 in the Income Tax Fund for architectural services for the Fire Department, I would like to reduce that to \$40,000. This should still provide enough funds to do a needs analysis regarding the current and future operations of the Fire Department.

I also propose that the remaining \$50,000 (of that \$90,000) be appropriated to fund a Facilities Master Plan which would examine all properties and facilities owned by the City. This \$50,000 could be supplemented with additional funds, if needed, from the respective City enterprise funds (electric, water & sanitary sewer) at a later date via a budget adjustment once a contract has been drafted following negotiations with the firm that emerges from the RFQ process as being the most qualified to perform the study. The portion of the Fire Department study that I am proposing to do is specific to the Fire Department, thus, it would not be at odds with the larger Master Facilities study. It would actually be complementary, since it is already a given that the Fire Department has space concerns.

Please find attached a copy of a revised 2007 capital budget description and Income Tax Fund table. I will be glad to elaborate further at the time that Ordinance No. 06-98 is presented on Second Reading this Monday evening.

If you have any questions, please let me know.

CITY OF OBERLIN

Year 2007

Multi-Year City Income Tax Capital Improvement Budget Fund 112

Overview:

A 0.50% portion of the total 1.90% income tax supports the City's income tax capital improvement fund.

Revenues:

The projection for 2007 represents a 2% increase from the current 2006 estimate and 2% increase for each subsequent year. Until there is improvement in our economy and/or further growth in our tax base, we will continue to show conservative estimates.

The remainder of the revenue items are for reimbursements related to specific items noted in the Expenditure section below.

Expenditures:
