

**Information required to obtain a New Albany City Contractor's license:**

If you have taken a test in another jurisdiction and can provide our office with a copy of that score, we can check to see if it is acceptable.

Otherwise, click on Local Testing Center below and call the 800 number to set up a time and date to take the test required from information provided below.

Test regarding **Residential Contractor**: N13 National Standard Residential Building Contractor (C)

Test regarding **Commercial Contractor**: N11 National Standard General Building Contractor (A)

Test regarding **Residential & Commercial Contractor**: N12 National Standard Building Contractor (B)

**License regarding: Electrical / HVAC / Plumbing**

1. In order to receive above License for the City of New Albany you **MUST** present a copy of your Master test score.
2. Copy of a Photo I.D.

**\*\*\*Applies to All Contractor's\*\*\***

3. **INSURANCE: \$1,000,000.00 policy with the City of New Albany as Certificate Holder.**
