Family Law Limited Scope Representation – ATTORNEY APPLICATION

PCBA Office: (520) 623-8258 FAX: (520) 623-9772 EMAIL: lrs@pimacountybar.org

Limited Scope Legal Representation is intended for self-represented litigants who may not need to hire an attorney for “full representation,” but who need specific advice, services, document review, etc.

The attorney/client mutually agrees to handle a specific and limited service or services, tailored to the needs and concerns of the client, using a detailed contract. The attorney/client understands that this type of practice is a joint effort on the part of the attorney and the client, and that the attorney has a specified end to what he or she will perform. This is not a substitute for traditional legal services. It is an alternative form of representation for the pro se litigant. ***If you would like to be a Limited Scope Family Law LRS Attorney this year, please complete/return this form.***
