## ADMIN

### Refreshed Landing Pages for Apps

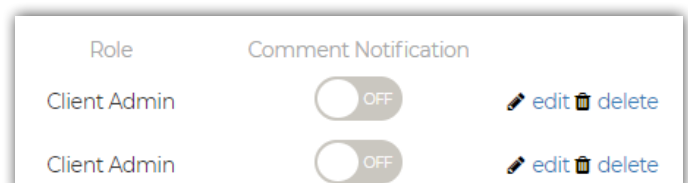

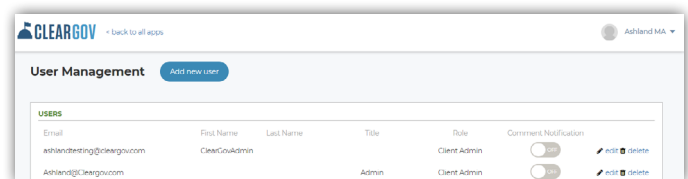

The UI for the landing pages of ClearGov applications have been updated to improve the user experience and match the look and feel of the Projects landing page.

Updated pages include: Widgets, Benchmarking, Forecasting, Peer Groups and Chart Builder.

### Comment Notification Control

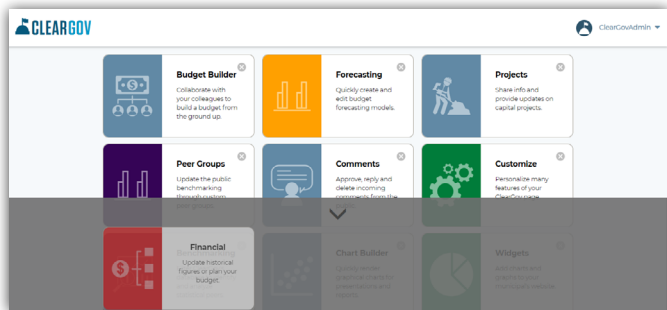

A new 'Comment Notification' toggle has been added to the User Management page to allow admins to control which users will be notified when comments are made on a page.

## ADMIN CONTINUED

### Financial App Hidden by Default

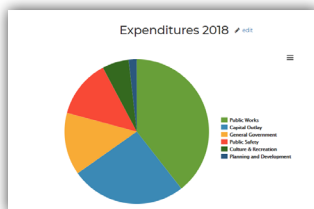

The Financial App is now hidden from the dashboard by default. To access the Financial App, click the arrow in the gray bar at the bottom of the screen to reveal the app.

## PLATFORM

### Chart Color Refresh

The default chart colors have been updated to provide a better viewing experience with colors that match our new look.

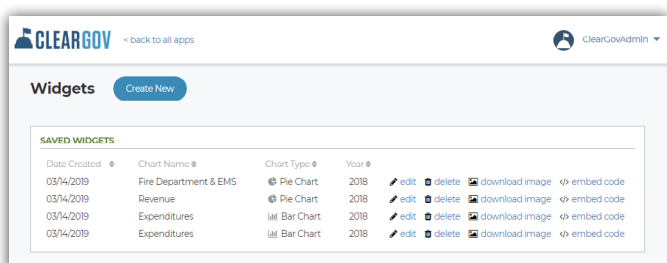

## WIDGETS

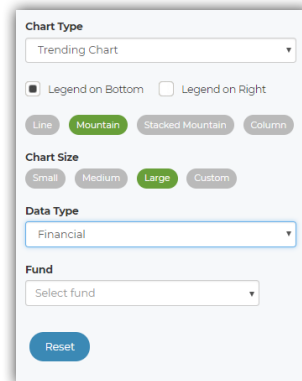

### New Layout

The Widgets application has been redesigned to provide an improved user experience with more customization.

- **Widgets Landing Page:** The new landing page displays widget details in a table to make it simple to find the information you're looking for.

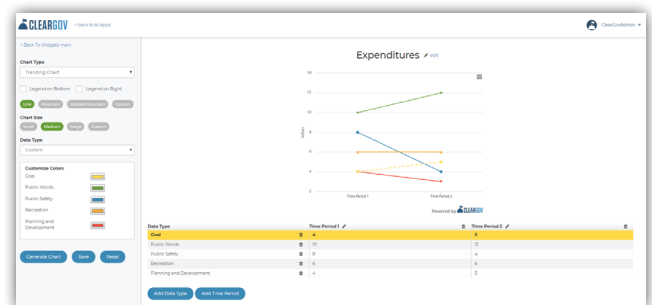

- **Creating New Widget:** Create and view chart options from one page, choose a location to display the legend, select a chart size and more.

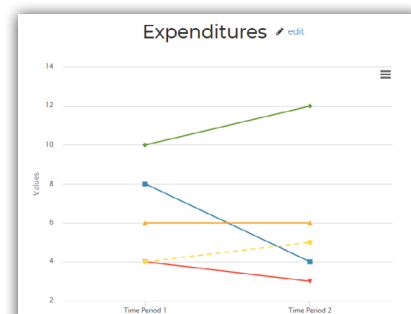

### Custom Charts

From the Widget application, users can now create custom charts by entering their own unique data.

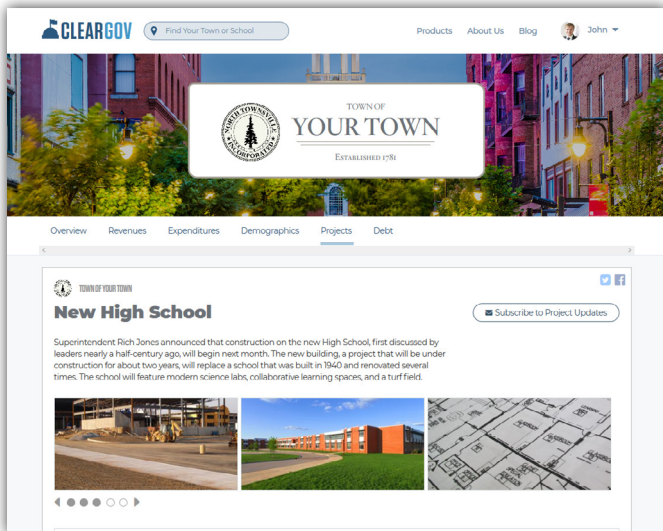

- A new 'Custom' option has been added to the Data Type dropdown
- Add data type and time period
- Add a goal to a Line chart, Mountain chart or Column chart to compare data against
- Customize colors to match the chart to your own branding or project

## PROJECT COMMUNICATIONS

### Most Recent Picture Will Display First

The image slider will now show the most recently uploaded photo first to ensure the page is displaying pictures in the order of when they were uploaded.

## BUDGETS

### Button Placement Updates

- **Buttons moved to the top:** The 'Submit' and 'Approve All Unedited' buttons have been moved to the black bar at the top of the table to be centrally located with the other buttons. Users will no longer need to scroll to the bottom of the page to access the buttons.

A screenshot of the CLEARGOV budget management interface. At the top, there are tabs for 'Customize Display' and 'Undo Last Change', and a 'Submit' button. The table has columns for 'Collapse All', 'CL Test', and 'FY19 (In Progress)'. The table lists various budget items with their respective amounts and change indicators. The 'Taxes' section is highlighted in green.
