

LIFE LEGACY

A *legacy* is not what
you leave behind.

It's what you *live*
right now.

What is Life Legacy?

Life Legacy is our **annual offering**, providing an opportunity for our church family, beyond our regular giving to sow into what we believe God is calling us to build.

Through Life Legacy, we support local ministry growth, national and global missions, strategic projects, and opportunities that help more people encounter Jesus and experience the hope of the Gospel.

Together, we continue to invest in a legacy that is impacting lives, strengthening communities, and advancing the Kingdom of God for years to come.

“What we *invest* in today,
generations will *stand* on tomorrow”

“Let’s *enlarge* our hearts, *stretch* our faith, and *widen* our reach”

A letter from our Senior Pastors

Some twenty years ago, a seed of faith was planted with our first Legacy Offering - Miracle Offering. We can measure our journey by the ministries launched, the facilities developed, and the projects completed, but the truest measure is the changed lives, restored families, and communities marked by Christ's transformative grace and love.

We are grateful for all God has accomplished through you, the devoted, faith-filled family of Life Unlimited Church, over these years. Your heart for Jesus and the Great Commission, together with your generosity, has helped build a God-honouring, missionally healthy church. This impact extends beyond our walls, making a practical difference to people in the Canberra community and reaching even further through strategic partnerships and projects around the world.

Every breakthrough we celebrate today is the harvest of a courageous 'yes' spoken to God, swiftly followed by faith-filled action. You have given sacrificially, believing that God would use us to make disciples and bring tangible hope to the poor, the broken, and the lost.

Our annual Life Legacy Offering is an opportunity to ensure this mission does not rest on past accomplishments but builds in momentum. We are intentionally expanding our capacity to minister to more people.

Let's enlarge our hearts, stretch our faith, and widen our reach. Grateful for the past, we step forward in faith, confident in Christ, who is faithful to complete the good work He began in us.

With faith and gratitude,

Sean & Lynda

An invitation

The Life Legacy Offering is an opportunity for each of us to prayerfully consider our part in building a legacy that will impact lives for generations to come.

Whether through giving, serving, or making a commitment over time, every contribution plays a part in advancing the vision God has entrusted to us. We're not just giving something, we're bringing our whole lives before Jesus and saying... it's all Yours.

Our time - your time is a gift.

Our talent - your abilities were given by God.

Our treasure - your treasure follows your heart.

As we look ahead, we believe there is more. More people to reach. More lives to impact. More space to create for what God wants to do.

We invite you to take a step of faith and be a part of our Life Legacy Offering. This is our opportunity to not just leave a legacy - but to live it now.
