

ROOTED

A 10-WEEK DISCIPLESHIP EXPERIENCE

**Grow deeper with God.
Build authentic community.
Live on mission.**

Rooted is a 10-week experience designed to help you develop the rhythms of a lifelong relationship with Jesus.

WHAT IS ROOTED?

Rooted is moving from knowledge to experience.

Rooted is not a course to learn more about God. It's a practice and a rhythm to help create space for God to do deep transformation in our lives.

**“The gift of Grace is free
but discipleship will
cost you everything.**

– Dietrich Bonhoeffer

How many people in a group?

Is there homework outside of the weekly meeting?

Yes, plan on 30 minutes to dedicate to going through the experience 5 days a week.

What if we can't do all the sessions and need to skip weeks?

It would be better to wait until there is time and space in your life to commit to going through the Rooted experience without interruption. (The goal is to offer the Rooted course twice a year.)

What happens after Rooted?

We would love you to stay together as a small group and continue to grow closer together and closer to Jesus. We HIGHLY RECOMMEND continuing the Practicing the Way course and curriculum as a tool to continue the rhythms you built through Rooted.
