Our Job?

Helping You Find Businesses You Can Trust

Advertising Review

BBB regularly monitors local advertising to foster truth and transparency in advertising claims. The self-regulatory review process promotes advertiser compliance to increase public trust in the credibility of advertising. It also creates a level playing field for settling disputes among competing advertisers.

Investigations into Business Practices

Once BBB is made aware of a business whose practices are called into question, we contact the business itself, their consumers and in many cases state and local agencies to gather information. When warranted, we forward our findings to, and collaborate with, local law enforcement to expand the investigation. BBB also issues a press release and updates the company’s Business Review to alert the community.

Media

BBB keeps you informed of scams and provides marketplace tips through:

- BBB’s web-based News center
- Blogs on local sites such as Patch.com
- Local Media Interviews through TV, Radio and Newspaper
- Trade shows and presentations
- "LOOK FOR THE SEAL" campaign
- Postings on social media
LOOK FOR THE SEAL.
