A Legacy of Dreams. Celebrating the Past! Constructing the Future!

During Our May Business meeting CBC approved a recommendation to expand our multipurpose room and kitchen, add a vestibule at the main entrance and multipurpose room entrances, add additional storage space for inside equipment and supplies, and a pole barn for storage of outside equipment. The project would be funded by a three-year fundraising campaign entitled "Legacy Of Dreams (LOD) Building" to raise \$600,000. We recommend that we begin the campaign on Sunday, September 9 at our 50th anniversary celebration.
