True faith produces fruit. A faith without action and without life change is ultimately a dead faith. The book of James speaks to the realities of a living faith

in Jesus—the kind of roll-up-your-sleeves and get-your-hands-dirty discipleship that is born out of an authentic relationship with the risen Lord. James writes to believers who know suffering, who've faced trials, and who ultimately desire a deep relationship with God.

Through 12 sessions, Francis works through James verse-by-verse, challenging followers of Christ to move beyond a private, intellectual knowledge of God and His Word, to a vibrant faith. This class meets at 10:15 a.m. in room 205.

Leader: Carl Rice

Is real friendship too risky? We live in a world where real friendship is hard to find. Suspicious of others and insecure about ourselves, we retreat to the safety of our small, self-made digital worlds. Jesus models a much richer vision of friendship. In this 6 session series, Sauls outlines principles for befriending those around us with the love of Jesus.

Befriend meets on Sundays

Time: 10:15 a.m.

Location: Room 211

Leaders: Aaron & Alisha Worley
