

# SHARPEGE® MORBARK KNIFE KITS

All kit components come in a SharpEdge®-branded corrugated box; providing added protection for knives while in transport and safety when handling. Boxes stack easily on store shelves. Best of all, you'll **enjoy savings of up to 10%** when compared to buying kit pieces individually.

*"It's a great benefit to have everything in one complete kit. It eliminates downtime and shows that Morbark really cares about their customers. I have everything I need right there to change my knives."*
