

# **EMCO Waterworks: Alberta**

## **The Right Inventory for Municipal and Industrial Waterworks Projects**

Our 6 EMCO branches flow throughout Alberta. So, wherever you're working, we're close by.

- Geosynthetics
- Septic
- Stormwater Management
- Irrigation
- PVC pipe and fittings / Concrete pipe
- Valves
- Hydrants
- Service materials
- Concrete pipe alternative
- Municipal castings
- Couplings / repair clamps
- Cathodic protection
- Water meters

### **OUR COMMITMENT TO YOU**

We'll make sure you have the materials you need to complete your projects on time and on budget.  
Your success is our success!

## **Geosynthetics**

We carry a full line of products used in road construction, filtration, soil stabilization, erosion control, and sediment control.

**wovens** for all road construction projects

**non-wovens** for filtration

**geo-grid** for soil stabilization

**Erosion control matting** to control the loss of soil due to erosion

**Catch basin donuts**

**Backers**

**Silt fence**

**...other sediment control devices**

Like we said, "we carry a full line of products for your construction needs."
