Make every "Morning!" a good one with Northshore Café...

People say that breakfast is the most important meal of the day and, at Northshore Café, we have to agree. Now open from **7:00am, 7 days a week**, Northshore has all the ingredients to ensure you greet every day properly.

Soak up the winter rays with a bold cup of coffee by the stunning Brisbane River, or be amongst the first to sample our spectacular new winter menu (coming soon!). All of our dishes feature quality seasonal favourites sourced from local producers and are sure to help you face all that the rest of your day has to offer.

Northshore is open for Breakfast, Brunch and Lunch. The café's interior and alfresco dining options make it the ideal setting for any type of meeting. So, whether you're with old friends, family or colleagues come down and say "Morning!" to us.

Call (07) 3868 4264 now to reserve your table at Brisbane's best kept river-side secret.
