The Perfect Riverside Function Venue

The *Perfect* Riverside Function Venue

With exquisite food, bold coffee and an uninterrupted view of the scenic Brisbane River, it's hard to imagine that Northshore Café could possibly offer anything else. But it can! Northshore is one of Brisbane's best kept secrets, both as a café and a function venue.

Whether you're planning a cocktail party, a sit down lunch or dinner, or a corporate function, Northshore has everything you need. Tucked away, but set on the banks of Brisbane's portside hub, Northshore offers the perfect amount of privacy mixed with picturesque surroundings – the ideal setting for any type of meeting. The venue can be transformed to cater for all your requirements, with a state of the art AV system and drop down screens and televisions for slideshows and presentations. Our Boardroom and Park room areas can be sectioned off in the case of confidential discussions and we have suppliers available if your event requires a marquee or a more alfresco setting.

No event is too big or too small at Northshore. Our catering packages extend from limited number cocktail selections, to three course sit down meals and BBQ buffets. We have drinks packages to suit all occasions and have even recently introduced a High Tea menu, featuring a selection of tantalising delicacies, perfect for engagement parties, christenings and birthdays.

The friendly staff at Northshore are more than happy to answer any questions you have about hosting an event with us. Call today on (07) 3868 4264, you won't be unsatisfied.
