Maximize the ROI for your education

The MBA online degree program at The University of Texas at Arlington is more than a degree—it's expertise, reputation and a connection to our global alumni network. The UTA College of Business is AACSB-accredited and, from day one, you will begin learning meaningful, actionable insights you can use right away.

Our online MBA program includes rigorous coursework in management, business law, IT, finance, and marketing—preparing you for effective leadership in any organization. We offer flexible admission options, allowing students with or without an undergraduate degree in business to excel in the program.

MBA Online Advantages

- Convenient—100% online
- Complete in as few as 12 months
- AACSB accredited
