***“ Any use of non-approved ASIN’s or bundling of additional items will be reported as a MAP Violation and will result in your listing being terminated, in addition to potential termination of your data feeds for these items.”***

**MAP POLICY** - Cloud 9 Novelties is dedicated to providing your consumers with the highest quality online purchase experience from all of our resellers. As such, we strictly enforce all minimum advertised price policies (MAP policy compliance) designated to protect our product’s imagery, trademark, and pricing. Cloud 9 Novelties has adopted this MAP Policy unilaterally for the products listed below.

Cloud 9 Novelties has implemented a Minimum Advertised Price (MAP) policy effective Nov 1, 2018. The objectives are:

- To ensure that our dealer-product relationships are consistent and value-based.
- To maintain the proper positioning of our brands in the marketplace.

MAP policy compliance applies to all internet sales of our branded vendors products sold in North America (including Canada) and internationally, except in countries where such policies are prohibited by law. The MAP policy compliance applies to all Cloud 9 Novelties products offered for resale based on the current retail price published with the approved MAP Pricing.

All approved e-commerce customers are required to conform to the published MAP policy established by Cloud 9 Novelties. You may not ADVERTISE any of the MAP products at a price below the designated MAP price outlined in the published MAP policy. However, this policy does not apply in any way to a reseller's actual SELLING at set prices.

It is the sole discretion of Cloud 9 Novelties to reserve the right to review a reseller's compliance with the Cloud 9 Novelties MAP policy. If it is verified a drop shipment or wholesale customer advertises a vendor-branded product below the MAP policy price, they will no longer be eligible to purchase or resell that branded-product line.

Cloud 9 Novelties has worked hard to ensure that all authorized dealers provide retailers and consumers with the advice, service, knowledge, and support necessary to maintain the highest level of customer satisfaction. Cloud 9 Novelties has concluded that certain types of advertising/pricing can affect the goodwill and is damaging to the standards and reputation of brands represented under the Cloud 9 Novelties.
