
Fishing for 10 Combos

Material:

- ◆ Four sets of numeral cards (0-10)

Directions:

1. Each player gets seven cards. The remaining cards are placed face down in the middle for all players to reach.
2. Player A asks a player for a card that would pair with one of the cards in their hand to make 10. (e.g. "Do you have what goes with 4 to make 10?")
3. If the player being asked says yes, they hand the card to Player A. If they say no, the next player takes their turn.
4. If player A makes a match, they place the pair down in front of them and draws another card to make a total of 7 cards in hand.
5. Player B takes their turn.
6. Each player takes turn until all cards in the middle stack are gone and all matches are made. Player with most matches wins.
