

Children's Museum of Pittsburgh

JOB OPENING ANNOUNCEMENT

For more than 30 years, the Children's Museum of Pittsburgh has provided "innovative museum experiences that inspire joy, creativity and curiosity". Through high quality exhibits and programs, we provide opportunities to the region's children for learning and play. We also provide resources and partner with those in the community who share our vision and work with or on behalf of children. We are currently recruiting for the following position:

Exhibits Fabricator

Reports to: Technical Exhibits Manager

Position Summary

The Exhibits Fabricator is responsible for fabricating exhibit components at the Children's Museum of Pittsburgh.

Position Requirements

- Operate manual and CNC woodworking, machining, and metalworking machinery and maintain tooling.
- Fabricate and assemble parts based on drawings while modifying dimensions, tolerances, and finishes based on an understanding of each part's function in an assembly.
- Quickly design and build effective prototypes based on sketches or verbal descriptions.
- Build and possibly design high quality and reliable components and mechanisms for permanent and traveling exhibits.

If you are interested in applying for this position, please complete our online application found at: <https://pittsburghkids.org/job/jobs>. In addition, you may be required to submit a resume and cover letter. Please follow the instructions on the application site.

Thank you for your interest.
