

Photo Assignment #3 - Color

Design Fundamentals for Photographers

By: Kirk Nelson

In this Photo Assignment, you will focus on creating photos with the intentional use of **Color**.

Photo #1 – Cool Tones

Compose a shot where the mood or emotion of the shot is communicated through the use of cool tones.

Photo #2 – Warm Tones

Compose a shot where the mood or emotion of the shot is communicated through the use of warm tones.

Photo #3 – Warm Tones

Compose a shot where the subject is highlighted by the use of complimentary or contrasting colors.

Photo #4 – Lack of Color

Compose a shot where the subject is communicated or enhanced through the lack or reduction of color.
