

Show the Bows

Official Horse Show Bow of the Hampton Classic

Show the Bows is a custom horse show bow company geared toward the up and coming equestrian superstars!

Show the Bows was founded in 2019 by Lauren Pileggi, a life-time horse person. “I actually started Show the Bows because my rescue puppy Quinn became sick and resulted in more than \$3,000 in medical bills. I had to do something, so I started creating the bows and selling them on Facebook after the 2019 Devon show. What started out as Facebook adventure has now grown to a custom horse show bow company that ships throughout North America and internationally!” commented Pileggi.

During the Covid lockdown, Pileggi set up the horse show bow customization process online. “We are now the ONLY online interactive customizer for horse show bows,” said Pileggi. In the blink of an eye, parents and children can customize their horse show bows and can include their pony’s portrait on their #luckyshowthebows.

Pileggi and Show the Bows will be onsite at the Hampton Classic on Tuesday, August 31st at the Short Stirrup Ring as the Official Sponsor of the Short Stirrup Division. Customers will be able to meet with her and design their own horse show bows. Lauren is also the creator of the Official Hampton Classic Horse Show Bow available for purchase at the Hampton Classic.
