

STAY POWERED DURING PUBLIC SAFETY POWER SHUTOFFS

PORTABLE POWER STATION AND GENERATOR REBATES

When fire weather conditions put communities at risk, PSPS acts as an important safety tool to help reduce the risk of fires caused by utility equipment. We understand the hardships that power outages can create — that's why we offer rebates to help you stay prepared with backup power.

SAVE WITH BACKUP POWER REBATES

Portable Power Stations

- Power small devices for a limited time, such as medical equipment, assistive technology, laptops, mobile phones and appliances.
- Eligible customers may receive rebates for up to five portable power stations per service account, up to \$200 each.

Portable Generators

- Power medical devices and larger appliances like refrigerators, water pumps and garage doors during extended outages.
- Eligible customers may receive up to \$200 for a generator, limited to one rebate per service account.
 - Customers enrolled in California Alternate Rates for Energy, Family Electric Rate Assistance and/or Medical Baseline are eligible for an enhanced rebate of up to \$800 for the purchase of a portable generator, also limited to one rebate per service account.

WHO IS ELIGIBLE?

You qualify for a rebate if you:

- Are an active SCE residential customer.
- Are a small business customer on Time-of-Use-GS-1 or TOU-GS-2 rates.
 - Small business customers are eligible for the \$200 portable generator rebate only.
- Live on a circuit that is or may be impacted by PSPS.
- Purchase an eligible portable power station or portable generator that meets program requirements.
- Submit a complete rebate application within 180 days of the date of purchase.

HOW TO GET YOUR REBATE

Follow these steps:

1. **Confirm eligibility:** Check your address and eligibility by visiting sce.com/outagemap and entering your address to see if you are served by a PSPS-affected circuit.
2. **Buy an eligible product:** Purchase a portable power station or portable generator on SCE's Marketplace at marketplace.sce.com or your retailer of choice.
3. **Apply online:** Submit your receipt and required documents on the SCE Marketplace.
4. Receive your rebate by check from SCE.
