

Turning Scoops into Sips: Baskin-Robbins' Frozen Beverages

From classic milkshakes and floats, to caffeinated “must-haves” and smoothies, Baskin-Robbins® frozen beverages are the perfect way to quench any craving on the go. Go beyond a cone or cup with this delectable lineup of frozen beverages.

Cappuccino Blast®

The perfect caffeinated [pick-me-up](#) featuring 100% Arabica Coffee blended with Baskin-Robbins' Vanilla Ice Cream and topped with whipped cream. Some guest-favorite varieties include Caramel, Mocha, Turtle and OREO® Cookie.

Mangonada

Inspired by the iconic Mexican treat of the same name, this beverage is the trifecta of sweet, salty and spicy infused with bright notes of Mango swirled with Chamoy and topped off with Tajin® Clásico Seasoning.

Milkshakes

A classic twist on traditional ice cream, Baskin-Robbins' milkshakes feature one flavor of your choosing, whole milk and simple syrup for the perfect sippable scoop.

New! Tiger Milk

The Tiger Milk Bubble Tea combines Black Tea with fresh Milk and Brown Sugar Popping Bubbles that burst with flavor after each bite. The delicious new beverage is then topped off with a scoop of classic Vanilla Ice Cream and Brown Sugar Syrup “tiger stripes” drizzled down the sides of the cup.

Smoothies

Featuring real fruit and Fat-Free Vanilla Frozen Yogurt, Baskin-Robbins' smoothies are a go-to for anyone looking for a refreshing frozen treat to satisfy their sweet tooth.

Floats

A frothy and fizzy delight made of Vanilla Ice Cream or creamy Vanilla Soft Serve combined with Coke® or Barq's® for a sip that's sure to float your boat.

Freezes

A cool combination of Baskin-Robbins flavors blended with the guests' choice of beverage for a refreshingly sippable drink.

Guests can get these sips by visiting or calling their local shop or have them delivered right to their doorstep from Baskin-Robbins shops via [DoorDash](#), [Uber Eats](#) and [Postmates](#) delivery.
